

# Practice

Submit two layouts, a meal scenario, three opening states and a conflict/decision record.

## Map the work zones

---

---

---

---

---

## Test openings and movement

---

---

---

---

---

## Compare with consistent criteria

---

---

---

---

---

## Review your work against the criteria. Saving it does not constitute technical project approval.

- Same brief for both alternatives
- Simultaneous states tested
- Evidence-based decision
